

BIG LEAGUE PERFORMANCE AND REHAB

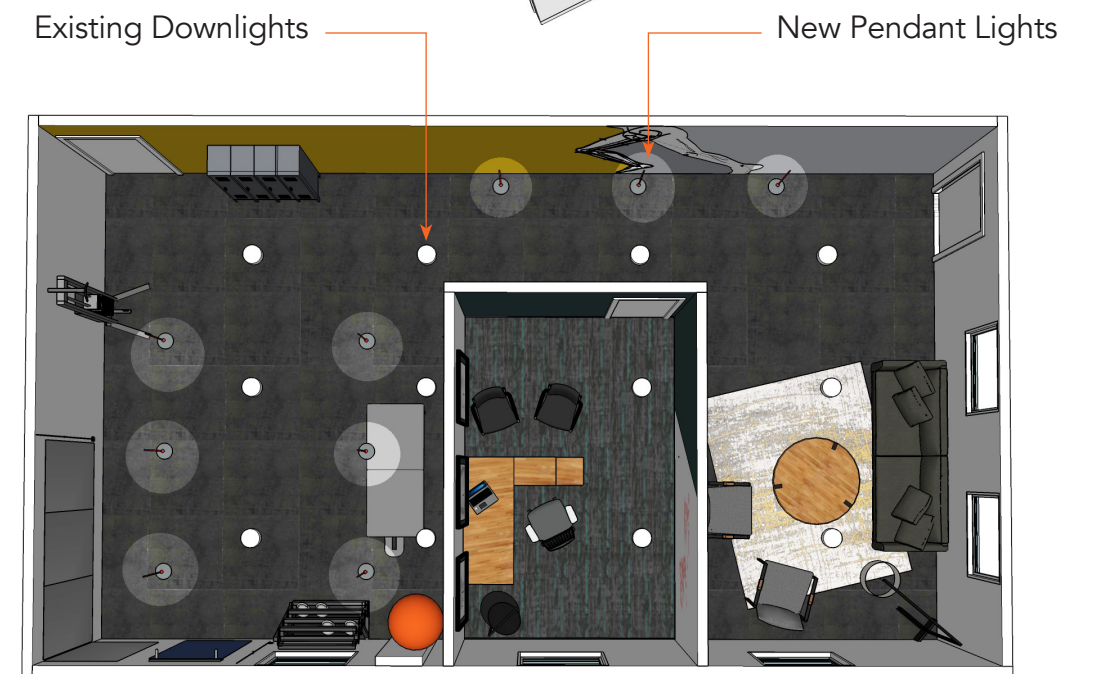

PREPARED FOR MIKE YASSON

17 MARCH 2019

FLOORPLAN

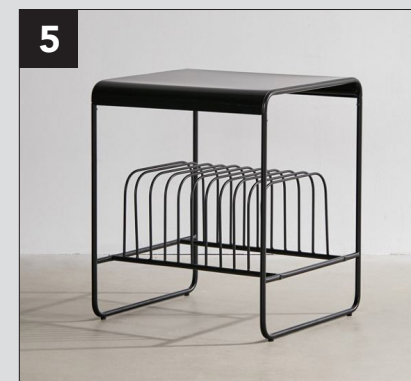

A new waiting area greets clients with a welcoming, industrial vibe that showcases the Big League Performance logo and golden hues to add warmth to the space. A central private office allows for discrete client consultations and phone calls. Additional storage and organizational racks create a streamlined therapy area in the back.

WAITING AREA

A dynamic wall highlights the Big League logo, while connecting signage asking clients to 'weight here.' The accent color brings the exterior "light beam" paint through the space, and plays off the angles of the "A" arrow shape in the logo. The repetition of angular shapes evoke movement and connect to the clean lines of the furniture.
